

## Voluntary Contributions and Charges 2022

Dear Parents and Caregivers,

The Education Act 1999 requires schools to notify parents of the schedule of Voluntary Contributions and Charges for 2022. The Winthrop Primary School Board has endorsed the schedule of Contributions and Charges for 2022. The Schedule covers four sections and will allow you to calculate all costs for 2022.

### 1. Voluntary Contributions: (Section 99)

- ★ The total amount of contributions parents and carers are being asked to pay has been contained within the \$60.00 maximum set in the School Education Regulations 2000.
- ★ Money collected will be used to supplement school expenditure in the purchase of resources needed in the provision of the learning program activities, examples are set out below:

Photocopying	English resources
Physical Education Equipment	Science resources and consumables
Music Resources	Mathematics resource
Library Books	Information and Communication
Art/Craft resources and consumables	Technology hardware and software

These contributions are voluntary; however, the quality of our teaching and learning program will be enhanced when every family contributes to the cost of supplementing funding gained from other sources including the State and Federal Governments.

The amounts for this voluntary contribution are as under:-

***Kindergarten to Year 6                      \$60.00 per child***

***Payments can be made in February 2022 at the front office by Cash, EFTPOS or Qkr***

### 2. Optional Costs Associated with an Education Program: (Section 100)

A breakdown of ***estimated charges*** for your child's participation in expected class and school activities for 2022 are listed overleaf.

Details on charges collected in previous years have assisted us in preparing the 2022 Additional Fees & Charges Schedule.

Parents will be required to pay as and when any activity is planned and intimated to them. Payments can be made at the front office by Cash, EFTPOS or QKr.
