### **Winthrop Primary Plank - Walkers**

Winthrop Primary School Students are participating in Talk like a Pirate Day to help raise funds for Childhood Cancer Support.

Talk Like a Pirate Day raises funds to provide free accommodation and support services to regional childhood cancer families while receiving treatment away from home.

This is a cause that is close to our hearts at Winthrop and one that we all care deeply about.

Please donate now to help us reach our fundraising goal and help make a young person's future a little brighter.

*Dress and talk like a Pirate, or free dress, for a **gold coin donation** and earn some much-needed loot for special children that need a Helping hand.  
Or hook!*
