ITEMS ACTION (NAMES)

1.	Confi	rmation of Minutes of Previous Meeting	All
	1.1.	<b>Resolution:</b> That the minutes of the previous General Meeting of Winthrop Primary School P&C Association on 8 November 2022 be taken as read and confirmed as a true and accurate record.	
		Carried	
2.	Busin	ess Arising from Previous Minutes	
	2.1.	Canteen requires a new popcorn machine and in actuality the canteen needs (fridge, oven, microwave and the aircon isn't working) and they need more volunteers, as the previous ones can no longer continue.	КС
	2.2.	E block water cooler is complete. Basketball courts need a new installation including pipes etc. Would need Programmed to be involved. Updated action list.	тс
	2.3.	Security signage has been added to front but would be appropriate to add another sign to the other side of the school as well. Add to list of actions.	TC
	2.4.	Your move updates, going to do a dress your bike up ride to school day on 24th of March. Abby is looking into maximising points for the school this year in hopes of a bike safety or other spend. Need to send out future surveys to parents to achieve this in term 1 and 4.	
	2.5.	Playground design is complete and has gone out for tender. Still hopeful to have it by term 2 but some work might need to be completed in school days. School is seeking a grant of 25K to put in shade sails.	
	2.6.	Front of office refresh is complete.

	Additional Notes				
	7.1. Current uniform supplier running short on the bolt of colour again. Lauren to put Fancesca in touch with a supplier she knows has the Winthrop green for polo's. The dress is also a special design and Lauren to see if they carry that design as well. Fancesca to give Laruen a dress to see. Added to actions.	FP LR			
·	Creduction Committee's Deposit				
ο.	Graduation Committee's Report  Tammy tabled the Graduation Committee's Report.				
	Additional Notes				
	8.1. Raised and agreed that the P&C would pay for 6 books for the teachers, library and school this year.				
	8.2. Previous money given to graduation was \$1500, this year would be similar.				
	8.3. The P&C funded last year the software for setting up the yearbook (Adobe?) to the tune of \$700, however there was some discussion; High Schools get a school discount but primary schools don't, however there seems to be the possibility that if the school purchased it either through the library or via a teacher then the discount might be able to be applied. Lauren volunteered to see if she can get the price with a discount and will let you know. If the discount is not available, there are two ways to purchase it; monthly or yearly.	LR
